

TRACKROCK POLICIES

Thank you for helping us to keep a safe, clean and secure park. We want you and other guests to have a pleasant experience! Common courtesy to your fellow guests will add to the enjoyment for all!

Dogs are not to be left unattended, must be on a leash and cleaned up after at all times. Failure to control your dog could result in your being asked to leave.

Speed limit is 10mph. Please observe signs for everyone's safety. We are a family campground, please watch out for children in the roadways.

Please **do not abuse** our trees by cutting branches and limbs or driving nails into them. We are losing trees at a rapid rate due to abuse. Young trees are your future shade!

Parents are responsible for the safety and conduct of their children at all times. Please **DO NOT let your children slide down the clay banks.** This causes erosion and mud - and is unsightly for other guests.

Campfires in designated fire rings only. **DO not move the rings.** Fires may be restricted during dry weather.

Quiet time is 10:00pm. This will be enforced and you may be asked to leave.

ATVs and Golf Carts limited to handicap and elderly. Exceptions may apply.

No smoking in the game room or on the back porch.

Trackrock reserves the right to compel anyone to leave the park for failure to observe these policies or detrimental/disruptive conduct. Trackrock is not responsible for accidents, injuries, theft or loss.
