One of the best-kept secrets of the Midwest, you don't have to leave this resort to have fun! This resort is complimented on the well-kept grounds and clean facilities, the huge mature oak trees that provide great shade, and the large level campsites. If you're an adventure seeker and like to explore outside the resort, Blackhawk Valley is inside a secluded valley of the Kishwaukee River and campers can choose to spend their day tubing or canoeing down "The Kish." Rockford is the City of Gardens and Rivers and has plenty of things to do and see. And bonus! Chicago is a short trip from here too!
