

**Our Mission Statement**

At Caboose Lake Campground, our mission is to provide an example of what campground hospitality should be.

We believe every guest deserves a **safe, beautiful, clean, and welcoming place** to relax, reconnect with nature, and make memories with the people who matter most.

It is with intention and great pride that we prepare our campground for you. Our campsites are carefully maintained with beautiful grass, kept clean and free of debris, and prepared for each arriving guest. We work hard to provide you with a beautiful piece of nature to call your own during your stay, while still offering the amenities and modern conveniences that make camping comfortable and enjoyable.

We ask our guests to help us protect that experience. Caring for our grass and campsites, respecting your neighbors, keeping our grounds clean, and following campground policies all help preserve Caboose Lake for the families who will camp here after you.

Most importantly, **safety is part of our hospitality**. Our speed limit and safety rules are not suggestions—they are standards we consistently enforce to protect our children, families, pets, guests, and staff.

Our goal is simple: **When you leave Caboose Lake, we want you to remember the positive aspects of this experience, how beautiful the surroundings were, how safe it felt, and the memories that were made during the stay.**
