# CAVE COUNTRY RV PARK RULES & REGULATIONS

**Don't hurt the grass!** Do not park or drive on the grass. We do not allow rugs or mats on the grass, even for a short stay, as they will kill the grass. All vehicles must be parked in line on your site (i.e. not perpendicular or angled across gravel) to avoid tires crossing grass upon entry/exit. **A minimum \$50 fee will be charged to you for failure to follow this rule.**

**Garbage:** Place bagged trash on edge of CENTER road by 10:00am for pickup by park staff. No boxes or loose trash. Cigarette butts are trash and must be properly discarded. Do not put trash or boxes in fire pits.

**Pets:** Pets must be on a leash no more than 15ft in length and under adult owner's control at all times. Pet waste must be cleaned up inside and outside of the Dog Park, a cleanup fee will be assessed for not properly disposing of dog waste. Pets cannot be left outside unattended, do not tie your pet up to our trees or allow them to damage/pee on our flowers and plants. Pets are not allowed in any buildings or the pool area. Dog waste stations are located throughout the park, do not dispose of dog waste in trash cans located inside buildings. Aggressive or nuisance behavior is never allowed of pets... or their people.

**Park Buildings** (Restrooms, Laundry Room, Game/Fitness Room): Open 24hrs. Children must be accompanied by an adult in all buildings. **Bathrooms are closed daily from 11am to 1pm for cleaning.** Fitness equipment is for adults only. No smoking in buildings. Leave buildings clean. No wet clothes allowed in the Game/Fitness Room. **The code to the game/fitness room is 0101#.**

**Vehicles:** Only one vehicle and RV allowed per site. Additional vehicles, oversized vehicles (i.e. Semi Tractors, or cargo/car trailers) must be approved by park staff at time of booking. Vehicle must be parked on your gravel site in line with RV (i.e. not perpendicular or angled across gravel). You will be responsible for repair costs from damage caused by parking or driving on the grass. Do not drive through unoccupied sites. The speed limit is 5 mph, stop at all stop signs, and watch for pedestrians. Vehicle and RV must be clean and in good condition. With **pre-approval** you may charge your electric vehicle for a fee. Only street legal vehicles are allowed in the park; valid driver's license is required. No off-road vehicles, golf carts, dirt bikes, or scooters. Provisions made for ADA compliance. Vehicle maintenance is not allowed. You may purchase a vehicle wash permit for \$10.

**Pool:** Per Health Department regulations no person shall be in pool area alone and individuals 17 years old and younger must be accompanied by an adult. Please be considerate of noise level while enjoying the pool. Review all additional Pool Rules posted in the pool area prior to entering. Memorial Day through Labor Day, the pool is open 10am - 8pm, barring inclement weather.

**Pavilion / Pickleball Courts:** The Pickleball courts are available for use during daylight hours. **Individuals 17 years old and under are not permitted on the Pickleball courts at any time.** The Pavilion is available for use 8am - 9pm. No heat/cooking devices are allowed on Pavilion picnic tables. Leave area clean and properly dispose of trash.

**Check-in / Check-out:** Check-in is at 1:00pm Central Time. Check-out is 11:00am Central Time. Based on availability, early check-in may be purchased for \$5 per hour. With **pre-approval** and based on availability, late check-out may be purchased for \$5 per hour. We do not allow late check-outs past 1:00pm Central Time due to incoming reservations.

**Children:** Children must be supervised at all times. Parents are responsible for their children's safe and considerate conduct and any injuries or damage that they may incur or cause. Individuals 17 years old and under are not permitted on the Pickleball courts at any time, to use exercise equipment, or in the pool area without an adult. Bicycles are not permitted on concrete areas.

**Fire pits and BBQs:** All sites have built-in fire pits. Do not discard trash, cardboard boxes, or cigarette butts in fire pits. Firewood and fire starters are available for purchase at the camp store. Fires must be supervised and properly extinguished. You may use your own portable fire pit or BBQ on gravel. Use proper heat and grease protection for table-top grills on picnic tables at sites.

**Visitor registration:** All guests/visitors must register at the office and display a park pass. A fee for each visitor applies. Visitors must exit the park by 9:00pm Central Time. Registered guests are responsible for the conduct of all persons and pets in their group.

**Quiet Hours:** Quiet hours are from 10:00pm to 7:00am. Excessively loud music, vehicles, or behavior are prohibited at all times.

**Fireworks and Firearms:** Along with any other devices or materials that could pose danger to guests or property are prohibited.

**Guests and their visitors agree to use the campground and facilities at their own risk. The management and owners are not responsible for damage, injury or loss to persons, pets, or property. Guests are responsible and will be charged for any damage they cause to campground property. Fees may be assessed for each rule violation. Management reserves the right to terminate the stay or refuse entry to any person who has exhibited a disregard for the rules without a refund. By making a reservation with Cave Country RV Campground you give permission for the park to use photographs/video of your RV/vehicle in our promotional/marketing materials. We reserve the right to make changes to the rules, regulations, and fees as we deem necessary.**

## CABLE TV INSTRUCTIONS

**Programming your TV to receive our cable channels is very easy. Just a few steps:**

- 1) Be sure your antenna booster is turned off.
- 2) Connect your coax cable to the RV and our pedestal.
- 3) Go to Inputs on your TV and select "Cable".
- 4) With your TV Remote, go to "Settings" and search for Cable Channels.
- 5) You should now pick up all 50 of our channels.
- 6) If your TV is Standard Definition, you will use Channels 24-71. If your TV is High Definition (HD) you can use Channels 73-104.
