Cottage Estates

Exclusive new "Cottage Estates" within the beautiful Traverse Bay RV Resort.

Own your own Park Model RV Summer Home in the Traverse City area. The "Cottage Estates" will consist of 81 Park Model sites located at the north end of the resort. Each site is at least 5,000 sq ft with either a pond view or valley view. Furnished Park Models are 400 sq ft not including optional loft and covered porch. Add additional wraparound matching decks with rails for additional outdoor living space. Add additional matching 12'x16' custom built Studio Shed and create an outdoor entertainment center, private office garden shed or storage for your toys. Open floor plan models with soaring ceilings and transom windows or choose a loft unit with ample sleeping space for guests or a cozy reading hobby room. Just use your imagination to create your very own "Up North" Cottage Estate.

Pet Rules

Well-behaved pets are welcome. However, the following rules are strictly enforced:

- Household pets (cats and dogs) are limited to a combination of two (2) per RV site. Any other type of pet is not allowed.
- Each pet must be registered upon arrival. Each pet must have up-to-date vaccinations including Rabies and proof of such must be produced upon request.
- Pets are not allowed in any Resort building, in the pool area, or in the Resort's ponds.
- All pets must be leashed and under control at all times. Pets may not be left unattended outside the RV.
- A fenced dog park is located near the pickleball court and is the only area where a pet may be off-leash.
- Outdoor pet containment, enclosures, fences, etc., are not permitted on assigned lots.
- Pet waste must be picked up immediately and taken back to the owner's lot to be disposed of in the bagged trash or taken to the dumpster. Do not dispose of pet waste in laundry rooms, restrooms, or at another lot.
- A pet which causes any disturbance, annoyance, or harm, such as barking, growling, howling, digging, biting, or any other undesirable behavior which annoys or causes harm may be required to be removed from the park.
- Do not walk pets on lots other than your assigned lot. All lot property boundaries extend to the blacktop road so there is not any grass area in front of lots for pet walking; it is private property.
