KANSAS CITY RV RESORT

In the heartland of America, and minutes from the start of the Oregon Trail, we're just off I-70.

This beautiful resort has great amenities. It is near lots of attractions and is the ideal spot to spend a night a week, or your entire vacation. You can bring your RV tent, or "rough" it in one of our comfortable cabins. Each of these site types also has "Deluxe" versions available. The covered wagon is another great experience.

We have hand-dipped ice cream and pizza at our camp store and gift shop. Plus we have lots to do! You can pan for gems, fossils and sharks teeth at the Horseshoe Creek Mining Sluice. Come swim in the pool, jump on our giant jump pad or play some mini golf. We also offer 4 wheel pedal bikes for all ages, and we even have a paved and safe race track to enjoy bikes, roller skates, skateboards or even to walk. Our 4-legged guests will love the dog park or our dog walk.
