# PLEASE KEEP HANDY CAMPING REGULATIONS

1. **BE SAFE AND CONSIDERATE OF OTHERS.**
2. **Quiet Hours** - 11:30 pm til 7:00 am. No loud or disruptive noise of any kind.
3. 11:30 pm curfew. All campers on their campsite by 11:30 pm. All loud and disruptive noise and music to cease at 11:30 pm.
4. Parents are responsible for actions and safety of children.
5. Do not attach clotheslines or cut or drive nails into trees.
6. No cooking on beach.
7. **No minors** are allowed to stay in the campground unattended. A responsible adult must be present.
8. **Alcohol** - No alcoholic beverages are allowed off of your campsite regardless of what containers they are in. Alcoholic beverages are not allowed on golf carts or while operating your vehicle. Disruptive, drunken behavior is not permitted within the park. Be courteous and considerate of others, please.
9. **Visitors** - All visitors are to register at the office. You are responsible for the conduct of your guests. Remember, gates are locked at midnight. No one will be admitted unless they are registered.
10. **Vehicles** - It is important that we observe a 10 MPH speed limit inside the campground. A current vehicle pass is required for all vehicles within the park. Please cooperate with our gate guards. They are helping you. No ATVs, scooters, go-carts, skateboards or mini-bikes are allowed.
11. **Pets** - Please keep pets on your site or on a leash, this includes all animals, not just dogs. Please do not allow pets in the water, on the beach, boardwalk or piers. Please enjoy our dog parks. Please clean up behind your pets, especially in the dog parks. To avoid a problem with stray animals, anyone caught feeding them in the park will be fined.
12. **Piers and Beach** - White Lake is a very shallow lake. No diving or jumping from piers is allowed. No glass is allowed on piers or beach. No cooking is allowed on piers or beach. Do not swim near boat buoys - metal anchors may cause injury. No golf carts or bicycles on pier.
13. **Watercraft Launch Ramp** - Be aware of changing conditions and operate safely.
14. Please do not park boat trailers on the beach.
15. **Golf Carts** - You are responsible for your golf carts regardless of who operates them. All carts must be registered every year with the office prior to operating. All carts must have an operating attached headlight (no flashlights accepted), taillights or reflectors and brakes. **NO GAS GOLF CARTS ALLOWED.** All golf carts must have liability insurance and display a sticker issued by the campground. We believe you are able to determine what age driver is safe to operate your golf cart, since you are responsible for the damages it may cause. Remember, safety is our primary concern and that the privilege of operating a golf cart at Clearwater is not a guaranteed right. No golf carts are allowed on the piers, outside the gates or on the sidewalks.
16. **Construction** - Any construction on the campground must be approved by the management and may require permits from the town of White Lake and Bladen County prior to beginning construction. This also includes storage buildings.
17. **Loss or Damage** - Camp Clearwater tries to operate a safe environment, but we are not responsible for any loss, damage, injury or theft occurring in the campground.
18. **Music** - To allow everyone to enjoy the park, be courteous about your choice of music and the volume of it. Profanity, vulgar lyrics and excessive volume will not be allowed within the park. One warning will be issued if this policy is violated. If there is a second violation, the golf cart or vehicle will not be permitted in the park for the remainder of the season. Repeat offenders will be evicted from the park.
19. **Signs** - Please do not post signs on any vinyl fence owned by the park. Adhesives mark the fence and make it unattractive. A \$50.00 fine will be charged for violations. If the fine is not paid in a timely manner, utilities will be disconnected.
20. Please use manufactured outdoor fire receptacles instead of burn barrels. Keep safety in mind if you have a fire.
21. Please do not damage, deface, or alter lot markers. Offenders will be charged for repair or replacement.
22. Anyone violating these regulations or conducting themselves in a manner which disturbs the peace and pleasure of other campers will be immediately evicted from the campground with no refund.
23. **Safety** - Firearms and weapons not allowed.
