- **Bicycles--No Riding Down the Hill, Walk Bikes Down the Hill.** Oregon Law requires anyone 16 years of age and under to wear a helmet. **For Safety: No Skateboards, Scooters, Rollerblades, Hoverboards or Skates.** It's just too dangerous around moving vehicles.

We reserve the right to ask anyone to leave the premises. We assume no responsibility for accidents, injuries or loss of property including theft, fire, flood, wind, or any act of God.

To Comply with Oregon Health Codes:

Sewer connections need to be threaded "air and water-tight" and the hose must maintain a positive downward slope on a stand, not lying flat on the ground. This allows fluid to flow and not collect in the hose.

See Park Staff for more details.

To be in compliance with the Oregon State Health Division and the Oregon State Fire Marshall, Oregon State Fire Code Chapter 30, OAR 31-010:
All propane tanks must be secured to prevent tipping or falling over. A propane tank stand or bungie cord can be used.

Directions to Travel Northbound on Highway 99W/Pacific Hwy:

At the RV Park exit, turn right and immediately get over to the left lane. Travel through the traffic light at 124th Ave., and just beyond is a turning lane that allows northbound travel.

Words of Advice:

U-turns are prohibited at 124th Ave.
Do not cut across 99W/Pacific Hwy. from the RV Park entrance/exit!
