

COMMUNITY STANDARDS

Whether you are a seasoned veteran or a first-time camper, these basic tips will help to ensure that everyone enjoys their camping experience.

- Quiet hours are 11pm - 8am and must be strictly observed.
- Check-In Time: Campsites 1:00pm / Cabins 2:00pm
- Check-Out Time: Campsites & Cabins 11:00am
- SLOW DOWN, for kids' sake! Please observe our 5 MPH speed limit throughout the park.
- The front gate is down 24/7 and requires a refundable gate card to gain access which is issued by the office.
- All visitors must be registered at the front store or guard gate. Visitors are not permitted after 8pm.
- An adult must accompany a child when using the restroom facilities. Children must be supervised at all times.
- Pool & Splash Pad: Please observe posted rules. Glass is prohibited in the pool area. All children under 16 must be accompanied by a responsible adult when at the pool.
- Pond: Please observe posted rules. All children must wear a life vest when using boats.
- Children must wear a helmet when riding bicycles throughout the campground.
- For the safety of both the rider and pedestrians, bicycles are not to be ridden anywhere in the campground after dark.
- All campers must preserve and protect the wooded area around their site. No destruction of wildlife, trees or other growth is permitted.
- The campsite rental includes one table and fire place. The fire place must not be moved without prior consent from management.
- Prevent Forest Fires! Campfires are permitted only in the fire ring or fire pit provided on the campsite. Fires should be attended and properly extinguished. No fires higher than 18 inches per order of the Fire Marshal.

- Help us keep critters away by depositing all trash in the dumpster. Please do not place garbage in small trash barrels throughout the campground. Trash and recycling dumpsters are located near the dump station at the front entrance of the campground.
- Please respect your neighbors and other campers and use the walkways, rather than cutting through sites.
- Due to health regulations, pets are not permitted in areas where food is being served.
- Pets must be kept on a leash at all times. Pet waste must be cleaned up immediately. Whispering Pines retains the right to remove unruly pets at any time. We do not allow aggressive dogs. There is a limit of 2 dogs per site.
- Clotheslines are not permitted.
- A maximum of 2 cars permitted on each campsite. Designated visitor parking areas are depicted on the site map.
- No boats, large utility trailers or large car haulers are permitted without management approval.
- All campground buildings are smoke free including the washroom area.
- Fireworks are not allowed on Whispering Pines property at any time. Violation of this rule can result in immediate removal by law enforcement.
- Golf Carts: Golf carts must observe the 5MPH speed. All golf carts must have lights when operating after dark. Golf carts must be parked on your campsite by 11:00pm. Only Contracted Seasonal Campers may drive golf carts on property.
- Please keep your campsite clean.

Please call 401-539-7011 24 hours a day with any questions/concerns.
