Welcome to Myrtle Beach Travel Park!

Myrtle Beach Travel Park, celebrating 56 years since opening in 1970, is a favorite destination for families looking to enjoy a memorable camping experience. Spanning 125 acres, the park features nearly 1,200 campsites, a half-mile of oceanfront, a 17-acre freshwater lake, and offers plenty of space to relax and explore. Guests can enjoy amenities like a large outdoor pool, heated indoor pool, kiddie splash pool, and lazy river, perfect for all ages. The arcade and snack bar provide additional entertainment for kids, while adults unwind. Guests can also try their hand at fishing in the lake or the nearby Atlantic Ocean.

The park's General Store is stocked with groceries, gifts, and camping essentials, and our helpful staff are always available to assist. A full-time activities director ensures there's always something fun to do, with holiday-themed events, children's activities, crafts, special events, and parties throughout the year. For those looking to explore beyond the park, Myrtle Beach's wide range of restaurants, entertainment venues, and shopping options are just a short distance away.

As the area continues to grow, Myrtle Beach Travel Park remains committed to offering a family-friendly atmosphere that has drawn generations back year after year, making it the perfect place for both long vacations and quick getaways.

Courtesy Policy

Please do not walk or drive across any site other than your own. Please do not park on sites other than your own. Know your site boundaries and respect your neighbor's site space.

Do not park or place your belongings too close to the roads. Leave ample clearance for vehicles and camping units to pass. This also helps avoid accidental pick-up of non-trash items. Please keep in mind that camping is an outdoor experience. You will encounter nature in the campground including wildlife, insects, a lot of sand and changing weather.

Miscellaneous

Space is limited. Campsite and Rental rates included one vehicle and one piece of camping equipment. If space allows, an additional vehicle may be registered for \$5.00 per night. Moving around in the campground may be challenging. Please make sure your vehicles and other property are within the perimeter of your site to avoid accidents and/or other damage. When the campground is busy there can be a lot of traffic on the main roads. Guests with small children may want to be aware of camping in these areas during peak season.

We do not allow generators to be operated in the campground.

We do not allow the sale of crafts, merchandise or any other items at campsites, annual lease residences or rental units.

Campsite reservations include 4 guests in the rate, and you can have up to 4 additional, for a maximum of 8 guests per site. Additional charges may apply.

Rental Unit reservations include a maximum of 6 guests at any time. No additional fees apply.

For safety reasons, awnings and pilot lights on rental units may only be handled by a Myrtle Beach Travel Park employee. Please contact the Front Office for assistance.
