WELCOME TO THE MYRTLE BEACH KOA RESORT!

THE DESTINATION FOR *Recreation*

If you've never been to this family resort campground, you will find it hard to believe you're in the middle of one of the East Coast's greatest destination beach towns. The park is nestled amongst some of the largest old growth pines you will ever experience in this part of the world. Hundreds of years ago, Native Americans utilized the 2 tidal lakes that connect this property to the Atlantic Ocean, through the Withers Swash tidal basin, for oystering, clamming and fishing. Today, renovations are ongoing creating some of the most unique and innovative campsites in the outdoor hospitality industry. There are a host of different deluxe cabin and love shack accommodation options, if you choose to upgrade your camping experience to one of more luxury. During our spring, summer and fall season, there are activities galore for the kiddos. During the winter, the activities don't stop with our ever-growing community of wonderful snowbirds. Our staff cannot wait to assist you with whatever you may need as you choose to spend your time at the Myrtle Beach KOA Resort. If you're new, welcome to the family, if you're not, welcome back!

Happy Camping,
The Myrtle Beach KOA Resort Team
