INTERNET

Wireless internet access is available to all of our guests free of charge. Wireless access is provided on an "as is" and "as available" basis. Riverbend does not warrant that the service will be uninterrupted or error-free. However, every effort is made to ensure that wireless internet access is available at all times.

Please note:
 Due to heavy use of our internet system, management requests that you **disconnect your wireless connection after using.** (Closing your computer or closing Internet Explorer does NOT disconnect your wireless connection. You need to actually click on disconnect!!!) This will give other campers the opportunity to log on. Help us to serve you better by saving bandwidth.
