The Story of King's Holly Haven RV Park

The Owenby family, 6 brothers, have built King's Holly Haven RV park on the last 11 acres of property purchased by their grandfather Lewis M. King in 1928. Mr. King's family was forced from their home in the Greenbriar area of Sevier County. The Greenbriar community was taken into the Great Smoky Mountain National Park and its citizens had to find property and homes for their family elsewhere.

The King family moved to this current location where Lewis M. King and Frances Whaley King raised their family of 15. The last 11 acres of the original tract was property of Nora Belle King and T. Lee (Swede) Owenby, the mother and father of the 6 brothers and one sister Susan, now deceased.

The 6 brothers, Jim, Jack, Bill, Ed, George, and Jerry's early years were spent at Elkmont Ranger Station in The Great Smoky Mountain National Park. Their Dad, Swede, was the Elkmont Ranger and took care of the Elkmont District which included a large campground. Growing up in the Smokies and living beside the campground has been a good background to conceive, plan and build King's Holly Haven RV Park.

Holly Haven was a very successful RV Park owned by Pam and Roy Ogle. During the planning process for an RV park, the Owenby brothers became aware of Holly Haven's closing. Working with Roy Ogle, the brothers decided to acquire the name of Holly Haven and much of their equipment.

What you see is the final product, combining all of these above mentioned situations into King's Holly Haven RV Park. We will continue the family atmosphere, high quality facilities and friendly staff so that the stay of all our campers is one filled with fun and enjoyment.

Welcome to King's Holly Haven RV Park!
