STEPS FOR CONNECTING TO OUR WI-FI

1. Turn on your device or press your device's power button if it is on standby.
2. Navigate to your WIFI Settings and make sure your WIFI is turned on.
3. Locate Available Wireless Networks then select the American RV Park.
4. Open your browser (example: Chrome, Firefox, Internet Explorer, Safari, etc.).
Note: If the Welcome Page does not automatically appear, erase everything in the address bar and type: start.tengointernet.com
5. Once you're on the Welcome Page, click the "Get On line" button to connect to the WI-FI network.
