- Campers must be pulled in the site properly as to cause no damage to the camping grounds as deemed by the park management.
- Noise, which is unreasonably loud, disturbing or unnecessary is prohibited.
- Air conditioners are not allowed in tent areas.
- Trash should be placed in dumpsters. Do not leave trash on campsite.

The Story of Carillons

MORGAN CITY, LA

The Brownell Memorial Park and Campanile is the gift of Mrs. Claire Horatio Brownell, a member of one of Louisiana's pioneer families. Mrs. Brownell was always devoted to the land which contributed so much to her family's comfort and welfare. The 9.5 acre park shows the many various plants and trees that grow abundantly wild along the ridges of these swamps –palmettos, elephant ears, cattails, fern, many varieties of iris and other flowers, moss-laden oaks, berry vines, cypress, and tupelo. Mrs. Brownell elected to install a carillon as a focal point of the park. Rising to a height of 106 feet above its base, the carillon tower, with its smooth, simple lines, stands in elegant contrast to its "pure nature" surroundings.
