

A speedboat is shown moving quickly across a lake, creating a large wake. The boat is dark-colored with a white cabin. In the background, there are steep, rocky mountains with some green vegetation. The foreground shows a rocky shoreline.

A photograph of a paved path winding through a lush green park. The path is dark and smooth, curving from the foreground towards the background. It is flanked by vibrant green grass. Large, mature trees with thick trunks and dense green foliage line the path, casting long, dark shadows onto the grass and the path itself. The scene is bright and sunny, with sunlight filtering through the leaves.

A photograph of a rock surface covered in numerous small, white, stylized human figures, likely a form of indigenous rock art or graffiti. The figures are arranged in vertical columns and are simple in design, with some having red markings above them. The rock surface is dark and textured, with some areas of discoloration and a small plant growing in the bottom left corner.
