NOTE: This is a partial list of New Mexico State Park Rules. You are responsible to know all rules.

The Zuni Mountains on the continental divide are the main water source for Bluewater Lake State Park. This large and beautiful lake provides a multitude of recreational opportunities including camping, fishing, ice fishing, boating, water skiing, swimming, hiking, bird watching, picnicking and horseback riding. The lake is stocked with rainbow trout, catfish and tiger muskie. Ramps and facilities for the handicapped are also available.

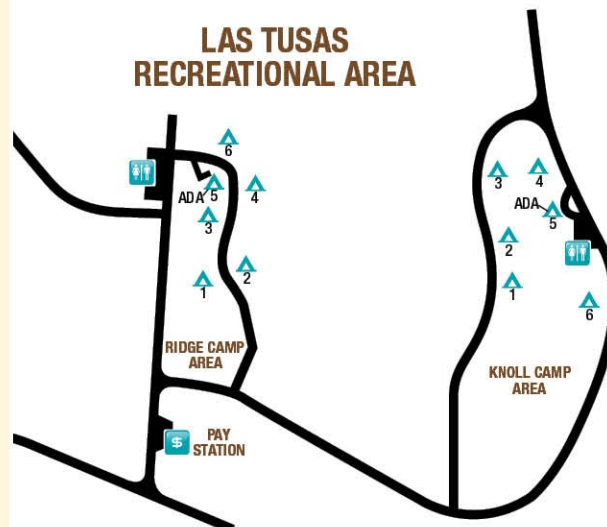

There are restrooms, showers, potable water, dump station, group shelter, shaded picnic shelters, shaded tent camping and RV sites with 30 and 50 amp electric hook-ups and 35 foot and over pull-thrus. Plus two boat ramps and a playground area.

Pets are welcome but must be restrained (See Summary of Rules #4).

CAUTION

Enjoy the beauty of our wild horses who make their home on our park property... but remember, they are wild... **DO NOT** approach or disturb them... especially with children and/or pets. Your cooperation is appreciated by the Bluewater Lake State Park Staff.

We invite you to bring your family and friends and enjoy the spectacular views, relaxing atmosphere and the natural beauty of Bluewater Lake State Park.
