WELCOME TO WILLARD BAY STATE PARK

Willard Bay rests atop the Great Salt Lake flood plain in Northern Utah. Its 9,900 acres of fresh water provide boating, water-skiing and year-round fishing for crappie, walleye, wiper and catfish. Camping also is popular at the park. Two state-owned facilities are available to recreationists. The North Marina and Campgrounds is 15 miles north of Ogden, just off Interstate 15 (exit 357). The park has full hookups and power & water with the dump

station as you exit. 3 cabins with bunk beds, refrigerator, microwave and futon; and modern restrooms, hot showers, sewage disposal station, and sandy beaches. Group day use sites are also available. We have 2 Cottages Available For Reservation. The South Marina and Campground is 8 miles north of Ogden, also off Interstate 15 (exit 351). The campground provides full hook-up campsites, boat launch and restrooms.
