

Campground Regulations

Thank you for following all Alabama State Park Rules and Regulations.

Check-out Time: 11AM
Check-in Time: 2 PM

- Complete Alabama State Parks Rules and Regulations are posted in within each Alabama State Park and are applicable at all times.
- Smoking is prohibited in all buildings.
- Pet policies must be followed – pets are not allowed within park buildings and are never to be left unattended. Pets must be on a leash. Thank you for cleaning up after your pet.
- No swimming is permitted at Meaher State Park due to wildlife.
- Keep wildlife wild - do not harass, feed, or kill wildlife. It's illegal.
- Tents must stay on pads. No digging.
- Parking on the grass at any time is not allowed.
- The park opens at 7:00 AM and closes at 6:00 PM. After 6:00 PM, guests should use their gate code found in their reservations email for access.
- The entrance gate is provided for your security. Only Registered Campers are allowed in the park after closing hours. Allowing anyone else into the park after closing will result in your immediate expulsion.
- Quiet hours are enforced from 10:00 PM until 6:00 AM.
- A responsible adult must accompany minors (under 18 years of age).
- Only one camping unit is allowed per site. A camping permit is required before setting up camp.
- Tents or RVs should immediately occupy the assigned campsite after registration is completed.

- All motor vehicles must have valid license plates and be operated by a licensed driver. Vehicles can only be operated on established roadways designated for their specific use. Indiscriminate riding back and forth through the park or campgrounds is strictly forbidden.
- All campsite trash must be deposited in the dumpsters that are provided - NOT in the bathroom or other facility trash receptacles within the park.
- You must use a suitable holding fixture for all wastewater and dispose of it properly. Draining water, soap, grease, or any other waste product onto the ground or anything other than an approved holding tank, designated sewage receptacles, and/or dump stations is a violation of Alabama State Law.
- If the guest registration station does not have an attendant, please use our honor box system and follow the posted directives at the station.
- A freshwater fishing license is required. Please follow limits and rules for both fresh and saltwater catches.

- Maximum occupancy per site is eight persons and two motor vehicles. Occupancy is limited to 14 days.
- Campers must provide their own camping equipment suitable for the locations; all equipment is subject to the Park Management's approval.
- No open fires are permitted except in areas specifically designated by Park Management.
