OCONEE STATE PARK

Oconee State Park has all the perks of a relaxing mountain getaway. The Oconee State Park campground, rustic CCC-era cabins, lake with swimming hole, canoe rentals and fishing opportunities are only a sample of the park's offerings.

Several wooded nature trails wind through the foothills region and serve as the Southern trailhead for the Foothills Trail, South Carolina's 80-mile wilderness hike on the Blue Ridge Escarpment.

Oconee is the perfect place for a family getaway with nostalgic activities, such as square dancing during the summer months, Fourth of July activities and other holiday events.

Make plans to enjoy a weekend hiking the Foothills Trail, fishing, boating or just hanging out at the Oconee State Park campground.
