Guidelines and Rules

Welcome to our campground! We want to ensure everyone has a pleasant stay, so here are a few guidelines to keep in mind:

- **Visitor Policies** - Our facilities are for registered guests, but we warmly welcome visitors! If you're expecting guests, please have them register at the office. Visitors are welcome until 9 PM, and the camper is responsible for any visitor fees.
- **Quiet Hours** - From 10 PM to 7 AM, we kindly ask that noise levels are kept to a minimum out of consideration for fellow campers. Please ensure children are at their campsites during these hours, and keep radios and TVs at a volume that won't disturb nearby campsites.
- **Campsite Regulations** - Each site is designated for one camping unit and one vehicle. If you have extra vehicles, please park them along Knox Road.
- **Pool Safety** - Our swimming pool hours are from 10 AM to dusk. For safety, children under 13 must be accompanied by an adult at all times. Please note that there is no lifeguard on duty.
- **Environmental Regulations** - To comply with state law, please collect gray water in a covered container and dispose of it at the dump station.
- **Sewer Hook-up** - All RVs must use an approved sewer ring.
- **General Guidelines** - Alcoholic beverages should be enjoyed at your campsite, and firearms, firecrackers, and explosives are not permitted on the property. Motorbikes and cycles should only be used for entering and leaving the campground.
- **Laundry Room** - Our laundry facilities are available 24 hours for your convenience. Please refrain from using clotheslines, smoking in buildings, or bringing pets into certain areas.
- **Pet Policy** - We love pets! Please keep them leashed and attended to at all times. For their safety and the comfort of others, pets are not allowed in the pool area, buildings, or playground. If you need recommendations for nearby kennels, please inquire at the front desk.
- **Vehicle Care** - For the upkeep of our grounds, please refrain from washing vehicles or trailers on-site. Additionally, vehicle repairs are not permitted within the park. Please reach out to our front desk team for information on the closest dealerships.
- **Campfire Etiquette** - Enjoy a cozy campfire in the provided fire ring, but please don't move them. Gathering or cutting wood is prohibited due to environmental impact, but you can purchase firewood at our store.
- **Dishwashing** - We have designated dishwashing facilities available at sinks for your convenience. Keep our restrooms clean by refraining from washing dishes in them.
- **Patio Furniture** - Keep patio furniture on the patio area and off the gravel for everyone's convenience.

Thank you for adhering to these guidelines and helping us maintain a welcoming and enjoyable atmosphere for all our guests! If you have any questions or need assistance, our staff is here to help. Enjoy your stay!
