## Park Rules

1. Check-out time is Noon.
2. Do not change campsites without first checking with registration. All sites are reserved sites.
3. Quiet hours are from 10 pm to 8 am.
4. All bicycles, skateboards and rollerblades must stay on roads and paths and not be ridden through other campsites. For the safety of the rider, helmets are required.
5. Please respect other campers, and do not enter or let your children enter other campsites or cross over sites. Please stay on paths and walkways.
6. Please do not pick flowers or shrubs or break tree limbs for kindling. Our beautiful park is part of a federally protected watershed. No wood may be gathered or removed from anywhere in the park. Firewood is on sale at the store.
7. Please pick up after your pets and obey all Marin County Leash/Animal laws. Dogs must be on a leash at all times. Dogs should never be left alone in your site. If a dog exhibits aggressive behavior or disturbs the peaceful enjoyment of other guests with incessant barking, you may be asked to leave the park.
8. Fires are to be in fire rings only and kept small and contained. Please do not move the fire rings. You will be charged a \$50 fine for non-compliance.
9. If you move the picnic tables, they must be put back to their original position before you leave or you will be charged \$20 fee per table.
10. **Speed limit within the park is 5 miles per hour and is strictly enforced. Remember, we have a lot of children and pets within the park. In addition, a vehicle going above 5 mph creates a lot of dust.**
11. We do not allow generators to be run in the park at any time.
12. **No "PA" systems, wireless speakers or sound systems may be used in the park. Loud music is disturbing to other guests and is not allowed.**
13. Firearms, fireworks, slingshots, and BB guns are strictly prohibited.
14. Vehicle washing or repair is not allowed.
15. Dumping of wastewater or wash water is prohibited. Sinks are available at the rear of the bathhouses for dish washing. No washing of dishes in the bathrooms.
16. Motorcycles, scooters and e-bikes may not be operated in park except to enter or leave the park.
17. Do not hang anything from trees (hammocks, swings, etc). No climbing in trees.
18. The most important rule of all, have a great time!!!!!!

**All children must be escorted by an adult after dark. We request that if you have children under 12, you keep them under close, adult supervision at all times. This includes in the store and laundry room. We ask that you please escort your small children to and from the play areas. The creek is not on our property. It contains old fence posts and wire, briars, fallen trees, other natural hazards, and Coho Salmon (which are on the endangered species list). Federal fines for injuring salmon are up to \$25,000 (per fish) and should be avoided.**
