

Established as a memorial to U.S. veterans, this park features a museum with aircraft, armored vehicles, uniforms, weapons, medals and other items from the Revolutionary War through the Gulf War. Lake Blackshear Resort & Golf Club is a professionally operated conference center with 10 cottages, and 2 restaurants. The SAM Shortline Excursion Train runs through the park on its way from Cordele to Plains. An 18-hole golf course and pro shop, along with 8,700-acre Lake Blackshear, make this one of Georgia's most popular state parks.
