 9. We love pets at Yogi Bear's Jellystone Park™ and have a few policies to make camping with your pet enjoyable for all: **Pets** must be kept on leashes and under control of the owner. They are not to be left unattended at any time. We ask that you clean up after your pet (doggie stations are available in several areas throughout the campground). In consideration of other guests we will not allow constant barking. If you are unable to control your pets you may be asked to make other arrangements for them. Yurts are pet friendly; however, we do not allow pets in or around all other rental units. Pets are not allowed in any building or pool areas.
