## FRIENDLY CAMPING PRACTICES

In order to make your stay and the stay of other campers a happy experience, please observe the following Friendly Camping Practices.

- All campers and visitors must register at the office before entering. All guests are required to pay a campground use fee as designated by park management, park in our overflow parking area, and exit the park by 10:00 PM.
  - Check-Out time is 11:00 AM.
  - Quiet Hours are from 10:00 PM to 7:00 AM. Noise should be kept at a minimum during this time. Please respect your neighbor's privacy.
  - Pets are welcome, but they must be on a leash and cleaned up after at all times. Please do not leave pets unattended.
  - Please do not park on grass or vacant campsites. Use roadways to travel to and from your campsite. If space is needed for extra vehicles, overflow parking is available.
  - Washing vehicles/RVs or mechanical repairs (including changing oil and lubing) is prohibited.
  - Generators of any kind are prohibited.
  - Trash pick-up at 11:00 AM.
- Gray water may not be drained on the ground.
  - An airtight hose connection is required for sewer hook-up.
  - Portable fire pits are allowed.
  - Firearms, lethal weapons, fireworks, slingshots, pellet or BB guns are PROHIBITED.

The owner or management of this Park is not responsible for loss, damage or claims for damage to property of campers due to fire, theft, accidents or other causes. Disregard for any of the above rules will be sufficient reason for terminating a camper's stay without refund. The management reserves the right to change these rules as circumstances require. Thank you for your time in reading these guidelines. Please cooperate in maintaining the cleanliness and safety of our Park.
