About the Georgia National Fairgrounds

The Georgia National Fairgrounds & Agricenter is a state-owned, multipurpose 1,100+ acre rental complex, which is open year-round. It is specially designed for conferences, livestock and horse shows, concerts, rodeos, RV rallies, and trade shows. Since its opening in 1990 the Georgia National Fairgrounds & Agricenter has attracted exhibitors, visitors, and vendors to public and private livestock and commercial events. This beautifully landscaped site, with fountains and lakes, hosts multiple events every week; many are free and open to the public. For 11 days in October, the award winning Georgia National Fair, starting

The Georgia National Rodeo, also in February, is sanctioned by the PRCA.
