**TROPICAL PARK**

Tropical Park, developed in 1979 on the site of a former horse track, attracts approximately 1,500,000 visitors annually. Visitors can enjoy bicycling, walking or running on the miles of paved pathways. Visitors can shape up on our fitness court or at our boxing center. The Florida Game and Freshwater Fish Commission have stocked the fishing lake which also hosts annual fishing tournaments.

The two-acre dog park is divided into two areas, one for large dogs weighing over 35 lbs. and one for smaller dogs weighing less than 35 lbs. Both areas have jumping and playing apparatus. The dog park also features dog comfort stations with doggy drinking fountains and water sprays, pooper scooper stations to keep areas clean, and a shade structure that overlaps both areas.

The Ronald Reagan Equestrian Center at Tropical Park hosts over forty horse shows annually, including the Miami International Agriculture, Horse & Cattle Show and numerous festivals and concerts. Athletes can practice their swing at the batting cages, play tennis, racquetball, basketball, soccer or join one of our popular softball leagues. From football games in the stadium to special events, to boating and fishing on one of our four lakes, Tropical Park has something for everyone.
