

Things you should know about the park

Motor Vehicles: Park roads are public roads. All vehicles must display a valid ParkPass and are subject to license safety requirements and regulations of Georgia Department of Public Safety. **ATVs are not allowed in the state parks.**

Pets: Pets are welcome at state parks and campgrounds if leashed (no longer than six feet) and accompanied by the owner at all times. See exceptions posted at park office.

Intoxicants: Consumption or use of alcoholic beverages or intoxicants is unlawful in any public-use area.

Campfires: All campfires must be kept in designated areas such as a fire ring. Never leave a campfire unattended.

Weapons: Bows and arrows, explosives, fireworks, slingshots, fishing spears or any device that discharges projectiles by any means is prohibited. Firearms must be unloaded, cased and stored, unless a person possesses a valid weapons-carry license for a firearm that is valid in Georgia. *There are exceptions.*

Reciprocal Firearms Agreements: Some states have reciprocal firearms agreements with Georgia, and their citizens may possess a firearm as long as they possess a valid weapons-carry permit from their respective state.

Collecting: All wildlife, plant life, driftwood, artifacts, and any other natural or man made features are protected and may not be disturbed or removed. Please leave wildflowers for other visitors to enjoy. **Possession of metal detecting equipment is prohibited.**

Smoke Free Facilities: Please be advised that smoking is prohibited in all enclosed facilities, including buildings owned, leased, or operated by the state or local governing authorities. *Georgia smoke-free Air Act of 2005.*

Noise Levels: Please be considerate of guests who are visiting state parks for a quiet, natural experience. Radios, televisions, musical instruments, and all other noise making devices are not to be used between 10 p.m. and 7 a.m. and must be kept at low volumes during other times.

Visitors: Visitors to cottages, campsites and lodge rooms are welcome; however, the number of visitors and registered guests must not exceed the stated capacity at any time. Visitors must leave prior to closing times.

Group Activities: All group gatherings must conclude before 10 p.m.
