Recreational Activities

The Blackwater River is a designated Canoe Trail. A concession helps with equipment rentals and shuttles to launch points in the Blackwater State Forest. Everyone must take out at Deaton Bridge, which is inside the park. Water levels fluctuate with rainfall.

Four trails provide excellent ways to explore the park. The Blackwater River Trail and the Juniper Creek Trail are one-way trails marked with blue blazes. Trails may be wet. Stay on designated trails.

Two campground loops offer water, electricity, sewer connections and picnic tables. Hot showers and clean restrooms can be found at the bathhouse in between the two loops.

A playground located in the campground is for registered campers.
