PUTTING OUT YOUR CAMPFIRE:

1. Drown the fire with water. Make sure all embers, sticks, and logs are wet.

3. Before you leave the fire pit, be sure all embers, sticks and logs are completely extinguished. Never go to bed and allow the fire to burn itself out.
4. Never remove any ashes from the fire pit.
5. Never leave children or pets unattended near a fire pit even if you believe the fire is out cold.
