

Nestled in the rolling hills of Georgia's upper Piedmont, this is one of northern Georgia's best kept secrets. A beautiful stream flows through the park, providing the perfect setting for an after-picnic stroll. Hikers and animal lovers can follow along one of our many trails that wind through our hardwood forests and offers relaxing views of Rice Creek and the Broad River. Golfers will enjoy the park's 18-hole course and pro shop. Archers will enjoy taking their best shots at the archery range that includes both static and 3D targets.
