PET RULES

Kampers West welcomes happy, quiet, indoor pets. The following rules apply to all dogs, cats, pigs, birds, monkeys and any other critters (Yes, we've seen them all!).

- **All pets (this includes cats!) need to be on a leash at all times.**
- When strolling with your pet, the pet must not be allowed to "visit" fellow campers' lawns without permission.
- No pets are allowed in the restrooms, laundry, "rv club" buildings, landscape or office/store.
- Please remember to be considerate of your neighbors and your pets by ensuring that they are not left unattended. Our spaces are close and barking dogs are annoying.
- Please do not leave your dogs or cats outside running loose or unattended.
- **Also remember to clean up after your pet immediately** (this includes your cats), and deposit it in the dumpster. There will be a *fine* if you do not.
- **Aggressive dogs will not be allowed. There will also be a limit of two dogs per site for tenants.** Please remember that these rules are for everyone's safety and pleasure. We want everyone to be able to enjoy their stay with us.
