Kerr Lake

Welcome to Kerr Lake State Recreation Area. Our seven different camping areas offer over 600 sites on or near the shoreline of this beautiful 50,000 acre reservoir. Both electric hook-up and non-electric sites are offered. Many of the electrical sites have hook-ups for water directly on the site, but some require over 100 feet of hose to reach the water hook-up. In addition to family campsites, Kerr Lake SRA has three group camping areas located at Henderson Point, Hibernia and Satterwhite Point. Our parks also offer day use facilities including more than 300 picnic tables, 11 group shelters and three community buildings. Community buildings, which can accommodate large groups, must be reserved in advance. There are numerous places to fish along the shoreline and Bullocksville and Henderson Point each maintain a handicap-accessible fishing pier.

Information on reserving campsites, group camping areas, picnic shelters and community buildings policies can be obtained at the park office located at Satterwhite Point (252-438-7791). **Reservations:** www.ncparks.gov, 1-877-7CAMP-NC, or at office.
