About St. Augustine

From the magnificent hotels of Henry Flagler to the colonial Spanish fort that still stands guard over the city, St. Augustine's rich and varied history still has a thrilling story to tell. Its picturesque Spanish streets are made for exploring, with their unique shops tucked behind quiet courtyards. The city's variety of historic sites and attractions offer one of a kind fun for the whole family.

About The Area

Your site is on a barrier island, common along the Southeast Atlantic coast. This unnamed island extends about 35 miles north to Mayport, at the mouth of the St. Johns River and 3.5 miles south to the St. Augustine Inlet, where the Matanzas and North Rivers join and open to the ocean. Both rivers are tidal saltwater and are part of the Intracoastal Waterway.
