GUIDELINES FOR EVERYONE'S SAFETY AND ENJOYMENT

- No Fireworks or Explosives (of any kind) are allowed on this campground.
- NO illegal substances are allowed on this property.
- We respectfully ask that you do not use clotheslines that are tied to our trees. Clotheslines damage the trees. Please do not cut, bend or drive nails into trees.
- To help keep our grounds looking their best, we kindly ask that you avoid placing items on the grass for long periods of time. This helps to prevent the grass from being damaged or killed.
- Only 2 passenger vehicles allowed per site. All others are asked to park in the visitors parking.
- All visitors are asked to register at the office prior to going to a campsite. Visitors must abide by the park rules and leave the park by 9:00 pm. Overnight stays will be charged \$8.00 each. Registered campers are responsible for their visitors.
- Quiet Hours are Sunday - Thursday 9:00 pm to 9:00 am, Friday and Saturday 10:00 pm to 8:00 am.
- Check-out time for RV sites is 12:00 noon and 11 am for cabins (Central Time). If you need a later check-out, please check with the office as to availability and fees.
- Pay Lake rules are strictly enforced. Check with office for complete rules. No night fishing!
- We allow only one (1) camping unit per site. A camping unit can be an RV (motorhome, trailer or fifth wheel), a Tent, a Tent Trailer, or whatever you plan on sleeping in.
- Speed Limit: 10 mph – or slower.
- Please place all trash in plastic bags. Please help us keep our park clean. Since various little critters and birds often get into the garbage, we request that you place your trash bags in the dumpsters located throughout the campground.
- Campfires are allowed in fire rings only. Do not burn trash in fire rings.
- No generators. No loud noises at any time.

PET GUIDELINES

We love pets! We follow the KOA national pet guidelines welcoming all non-aggressive pets on a leash with their owners attached. Please remember others walk where you and your pet walk, so please pick up what they leave behind. There are disposable bags located at the Kamp K-9 to make cleanup easy.

Please keep your pets feeling safe at all times. Pets often do not like being left alone in a strange place or around strange humans and may need your assistance and reassurance.

POOL GUIDELINES

Weather-permitting our pool is scheduled to be open
Memorial Day - Labor Day

NO LIFEGUARD ON DUTY!

The state of Kentucky requires that anyone under the age of seventeen (17) be accompanied by a guardian of eighteen (18) years of age or older while in and/or around the pool. Therefore, we will ask any children swimming without an appropriate guardian to leave the pool and pool area. We put your child's safety above all else and we hope you agree with us. **We also must stipulate the following while in the pool area:**

**NO smoking or vaping, NO pets, NO food or glass containers,
NO DIVING OR RUNNING!**

Camper wrist bands required.
