WELCOME TO CUTTY'S OKOBOJI RESORT CLUB

Registration and Length of Stay: All persons must register upon arrival (including seasonal site owners, board members, and volunteers, and guests). Registration must be in the name of a person aged 18 or older. Members and associates need to present their resort ID at check-in; all others must present a valid photo ID. Guests must be pre-registered by the member or qualifying associate prior to check-in. If, after registration, a person wishes to change the room or site assignment, a request to move must be made at the front desk. A fee is assessed for the cancellation of any portion of a reservation with less than 48 hours notice (72 hours for holiday reservations). All persons need to vacate the rental room or campsite, including all personal property, on or before check-out time on the last day of the reservation period unless arrangements for a late departure are made. Failure to do so may result in a fine.

Check-In Time: Rental units 4 p.m. - Campsites 4 p.m.

Check-Out Time: Rental Units: 12:00 p.m. Campsites: 3:00 p.m.

Speed Limit: A 10 mph speed limit is in effect on resort property. Any person found exceeding the speed limit, found to be driving carelessly/recklessly, or is in violation of parking rules and regulations may be ticketed.

Vehicle Usage: Automobiles operated by licensed drivers are suitable for use on resort grounds. Trail bikes, motorcycles, off-road vehicles, and all other similar vehicles (including snowmobiles, quads, side-by-sides, and the like) are not to be operated. The exceptions are licensed vehicles suitable for highway use, used only for primary transportation to and from the Welcome Center and assigned rental room or campsite and devices specifically manufactured to aid those with disabilities. Devices to aid individuals with disabilities may only be used by the person requiring such assistance.

Wheeled Recreational Devices: Human-powered devices are permitted on resort grounds. Devices are not permitted in any building, shelter house or resort recreational facility. Skating on roads is prohibited between sunset and sunrise (darkness). Cycling is not permitted between sunset and sunrise (darkness) without proper lighting/ reflectors as required by state law. Self-propelled recreational vehicles are not permitted.

Parking: All vehicles must display a parking permit. Permits are available through Member Services. Temporary permits are available for guests of Cutty's owners. Parking on grass, in roadways, or in empty campsites is not permitted. Boat/trailer parking permitted in designated areas only.

RV/Tent Sites: Only one camping unit (horse trailers, ice houses, park models and converted school buses are excluded) and up to two tents / tent-like structures may be placed on the campsite. Camping units must be parked with the electric pedestal on the driver's side of the unit. Tents and the like must be of reasonable size so as not to protrude from or overcrowd the site. At no time are camping units to be parked or tents/ tent-like structures to be pitched by rental units (including cabins and 8-plex). Doormats, tents, and tent-like structures must be moved every four days to prevent grass damage. Do not place portable grills of any type on picnic tables. Remove all refuse from the grill and return the picnic table and grill to the cement pad prior to departure. Individuals will be charged for any damages incurred. Camping units and/ or tents and other personal belongings may not be left unattended overnight without management approval.

Sewer Hookup: The Sanitary Sewer District requires the use of watertight connectors on all applicable camping units. Wastewater discharge must be into authorized receptacles - never on the ground. Replace sewer cap upon departure.

Pets: Pets such as dogs and cats, pursuant to state health regulations and limited to a combination of two (management approval required for additional pets), are permitted on resort grounds, in camping units and designated rental rooms. Pets are not permitted anywhere else in resort buildings and pets in public areas must be kept on a leash or in a carrier at all times. Pets are not allowed in or near children's playgrounds. Allowances are made for pets aiding those with disabilities. Pets left unattended in rental rooms must be in a carrier at all times. On the campsite the leash should not allow the pet to extend off the site in any direction. Portable pens & corrals are prohibited. Pets may not be left unattended outdoors at any time. Due to extra cleaning costs, pets in rental rooms not specifically designated for pets will be assessed a $100 cleaning fee. Pet owners are required to carry a plastic bag with them whenever their pets are in an outdoor area. For sanitary reasons, individuals must pick up and properly dispose of pet droppings in the nearest trash bin - not down sewer risers. Pet owners are completely liable for their pets. Owners are asked to keep copies of pet vaccinations and licenses in their vehicle. If any pet rule is being violated or if any pet is creating a disturbance, the owner will be asked to remove the pet from the premises. The Club reserves the right to pick up animals at large for delivery to proper authorities and cannot assume responsibility for injury or loss of animals.

Campfires: Firewood is available for purchase. Inquire at the guardhouse or front desk. Help protect our trees and forest! Please do not bring out-of-state firewood into Cutty's to prevent the introduction of Emerald Ash Borer. For more information about Emerald Ash Borer visit: www.emeraldashborer.info. Open barbecues and campfires are permitted but they must be properly contained and must not cause damage to grass or trees. Burning of building materials and open fires on the ground are not permitted. Fires may not be left unattended at any time.

No Smoking: The resort endorses a clean, healthy environment - therefore smoking is prohibited in all rental rooms and buildings on resort grounds.
