

## Guidelines For an Enjoyable Stay

- Quiet Hours:** Help us maintain an atmosphere of peace and quiet in the park. Quiet hours are from 10PM to 7AM. Respect the privacy of other guests by parking your vehicle within the area of your site. We do not allow the riding of mopeds or scooters in the park.
- Check-Out:** Check-out time is 11AM. Notify office to verify if later departure is available.
- Children:** The actions and safety of your children is your responsibility. Supervise children at all times throughout the park and in park buildings.
- Pets:** We are a pet-friendly park and have designated several walk areas. A waste disposal station is available to assist in cleaning up after your pet. Leash your pet at all times and don't leave them unattended outside your unit. Pets are not allowed in park buildings.
- Restrooms, Showers and Laundry:** Restrooms, showers and laundry facilities are provided for your convenience. Change is available in the office for laundry machines. Thank you for helping us keep these facilities clean. Notify the office if anything needs attention.
- Trash:** Please place bagged trash in one of the dumpsters throughout the park as located on the map.
- Safety:** Use of controlled substances, weapons, fireworks, and excessive consumption of alcoholic beverages are prohibited within this family-friendly park.
- Fires:** No outdoor burning is permitted unless in an approved fire pit with a flame or a spark arrestor cap. (During open outdoor burning schedule per state of Alabama.)
