Park Pass - A parking fee is required at all state parks, and proceeds go toward park maintenance. Frequent visitors can save money with an annual ParkPass. Join the *Friends of Georgia State Parks* and get a free Annual ParkPass. The daily ParkPass is valid at all state parks visited that day.

Fort Mountain derives its name from an ancient 855-foot-long rock wall which stands on the highest point of the mountain. Situated in the Chattahoochee National Forest close to the Cohutta Wilderness area, this park offers a variety of outdoor activities. Hikers and mountain bikers will find some of the most beautiful trails in northern Georgia. Most wind through hardwood forest and blueberry thickets, occasionally crossing streams and providing spectacular vistas. During the summer, children will enjoy the sand beach located on a clear mountain lake.
