

Fort Yargo State Park

This historical park features a log fort built in 1792 by settlers for protection against Creek and Cherokee Indians. Located between Atlanta and Athens, Fort Yargo offers a fun camping, hiking and fishing experience for families. The park surrounds Marbury Creek Reservoir, a 260-acre lake with a swimming beach, fishing areas and boat ramps. Many campsites and yurts are near the water's edge, and hiking/biking trails follow the lake shore. Camp Twin Lakes is an accessible facility located inside the park which is designed for challenged populations but closed to the public. For more information call 770-867-6123.
