Cabin CHECK-IN time is 3:00pm, CHECK-OUT time is 11am. No early check-ins permitted. Lost rental key charge will be \$25.00

Late check-out is offered for an additional fee. Check with the front desk for availability by 10am on the date of your scheduled departure.

QUIET HOURS: Please be considerate of other Campers in the resort. Quiet hours are 10pm-8am Sunday-Thursday, and 11pm-8am Friday and Saturday. All children under 18 must be at their site by 10pm.

Pets: No pet fences, enclosures, kennels, or crates. Pets cannot be tied up unattended outside at anytime. Pets are welcome when quiet and attended. Pets must be leashed at ALL times. A 6' (six foot) leash rule is in effect whenever the animal is outside of the owner's camping trailer, vehicle, tent, cabin, or motorhome. Please clean up after your pets. There are receptacles and bags throughout the resort. For health and safety reasons, pets are not allowed in buildings, on the golf course or in the pool areas. **Pets cannot be left unattended.** If your pet is aggressive, you will be asked to remove it from the resort. Allowing your pet to bark uncontrollably day or night will not be permitted and you may be asked to leave the resort.

Site appearance: Resort guests are responsible for keeping their sites neat and clutter free. Excessive clutter is determined by the amount of time it would take guests to completely pack up and evacuate the site if so required. It should take no longer than 30 minutes to completely pack up your site. Refrigerators/Freezers/Appliances are not permitted outside of the RV per KOA Standards of Quality. Tents and/or Portable Storage units are not permitted on RV Sites. Portable Screen Rooms are permitted as long as they are not staked into the ground and are set up on your RV pad only. Stakes disrupt cable lines and water lines when used to tie items down and are not safe due to electric lines underground. RV awnings may be staked down in front of your pad. RV mats, carpets, artificial turf, or similar are only permitted on concrete slabs, no part shall be on any grass. This helps with the beautification of the site upon departure for the next guest.

Vehicles: You may have ONE camping vehicle and one passenger vehicle on your site. No parking on the grass. **This includes golf carts. All vehicles and trailers must fit on your site. Parking on unoccupied sites is not permitted. You will be asked to move the vehicle, or you will be charged the full retail price of the site. If you are interested in a storage option during your stay, please contact the office for rates and availability.** All vehicles must be licensed and insured according to state

law. Speed limit in the resort is 10 mph. Please observe all stop and road directional signs. **NO ONE** under the age of **16** is permitted to drive ANY motorized vehicle on the property. The operator must have a valid driver's license, or permit.

Trash pick-up: RV and Rental guests, please place your bagged and tied household trash beside the road between the hours of 7am-11am only. Please **DO NOT** leave trash out overnight. The resort does **NOT** collect construction debris. **Household trash ONLY.**

Visitors: Visitors of registered guests are welcome between the hours of 8am-10pm. There is a non-refundable day visitor's fee of \$10. ALL visitors must register at the office.

Golf Course: The golf course, putting green and driving range are available upon payment of applicable fees. Tee times are **REQUIRED.** Contact the general store for more information. No one is permitted on the golf course after sunset or before 7am. Private golf carts are permitted, but a trail fee applies. Fishing/hiking/biking are not allowed on the golf course.

Swimming Pools: No glass containers or outside alcohol permitted at ANY of the pools on the property. No food or beverages IN the pool or on the pool wet deck. Commercially bottled water in plastic bottles is allowed on the pool wet deck for pool patron hydration. Children under 18 **must be supervised by an adult** at the family pool.

Clotheslines: Excessive clutter spoils the beauty of our resort. Please keep your site neat and tidy. Laundry/dryer facilities are provided for your convenience. Clotheslines are allowed for swimwear and beach towels and must be attached to your RV unit **ONLY.**

Smoking: Smoking is not permitted in any pool area or in any building or rental unit. A \$250 cleaning charge for smoking in any rental unit will be charged to the card on file in the office.

Cooking: Cooking is not permitted inside one-room cabins.

Firearms: Firearms are not permitted in the resort.

Flags: Political flags/signs of any type are not permitted at the resort. Confederate flags, flags containing vulgarity or profanity are also not permitted. You will be asked to remove the flag/sign from display. If you choose not to remove the display, you will be asked to leave the resort.

Convention Center Parking: This is for guests using the facilities such as Pool, Shanty or Golf Course and private events etc.... This is not for guest overflow parking. Overnight parking permits must be hung from rearview mirror if/when issued. If there is no permit displayed your vehicle is subject to tow at vehicle owners' expense without warning.

DO'S AND DON'TS OF ALLIGATOR SAFETY

Please be aware that there are alligators present in the waters around the campground. While you are far less likely to encounter an alligator in the wild, it is always good to be prepared, just in case.

DON'T

- DON'T swim in natural waters.
- DON'T feed alligators.
- DON'T attempt to move or catch an alligator on your own.
- DON'T approach the alligator.
- DON'T ever get in the water with an alligator, even a small one.

DO

- DO pay attention to any posted warning signs of alligators in the water and avoid the area.
- DO respect boundaries between wildlife and human beings.
- DO keep within a safe distance.
- DO back away from an alligator slowly if you find yourself close to one.
- DO keep a close eye on any alligators that you come across, and watch for any warning signs of aggression. If an alligator hisses at you, then an attack may follow shortly after.
- DO REPORT AN ALLIGATOR SIGHTING TO THE CAMPGROUND STAFF IF IT IS POSING A POTENTIAL THREAT.

Always Follow

CAMPFIRE RULES

BUILDING & MAINTAINING YOUR CAMPFIRE

1. Use designated fire pits only.
2. Keep anything combustible at least 10 feet away from the fire pit. This includes aerosol cans and pressurized containers.
3. Clear the area of leaves or other debris that may catch fire.
4. Never start a fire with any flammable liquids such as gasoline or lighter fluid. Use crumpled paper or store-bought firewood covered with small sticks for burning.
5. Keep water or a fire extinguisher and a shovel, if you have one, nearby in case the fire gets out of hand.
6. Do not light fires on windy days or nights. Put the fire out at the first sign of increased winds.
7. Obey any local burn bans.
8. After lighting the fire, do not discard the match until it is cold. Douse with water to be sure.
9. Use only the amount of wood necessary to keep the fire burning under control.
10. Stack extra firewood upwind, away from the fire.
11. While the fire is burning, be sure there is a responsible adult in attendance of the fire at all times.
12. Keep children and pets away from the fire pits and never leave them unattended, even after the flames are out, as there is still a chance of a child or a pet getting burned.
13. Never allow hot dog or marshmallow roasting without adult supervision, and be sure there is plenty of space between campers while roasting.

PUTTING OUT YOUR CAMPFIRE

1. Drown the fire with water. Make sure all embers, sticks, and logs are wet.
2. Stir the remains, add more water, and stir again. Be sure all burned material has been put out and cooled. Feel above the fire with the back of your hand to make sure it is out cold.
3. Before you leave the fire pit, be sure all embers, sticks and logs are completely extinguished. Never go to bed and allow the fire to burn itself out.
4. Never remove any ashes from the fire pit.
5. Never leave children or pets unattended near a fire pit, even if you believe the fire is out cold.
