# **RV Park Rules and Regulations**

It's nice to have you with us, neighbor. You've probably noticed that folks seem to get along a lot better together if they know what's expected of 'em, so we put together a list to help us all. Besides, you can't have a proper hangin' without rules.

1. Please park in your assigned space. Parking in streets is prohibited.
2. The speed limit is 10 miles per hour. Motor vehicle use is limited to in-coming and out-going traffic. Licensed drivers only.
3. Tenants are responsible for the conduct and observance of park rules by all members of their party.
4. Pets are acceptable but must be kept quiet at all times. When outside the RV they must be kept on a leash. Pets are not allowed in recreation areas or buildings at any time. Barking dogs will not be tolerated and a pet that bothers others is not welcome. Pet residue should be policed by the owner. **PETS ARE NOT ALLOWED TO BE TIED OUTSIDE OF TRAILERS WHILE OWNER IS AWAY FROM RV.**
5. Tenants shall maintain their space in a clean and orderly manner. No laundry is permitted on the space. No construction or building is permitted on any space without the written consent of the management.
6. No vehicles shall be washed or rinsed in your space. Water used for other purposes must be prevented from flowing beyond your assigned space.
7. Please do not leave trash at RV sites; drop in dumpster. Plastic bags must be used for trash. Seal securely and place in trash bin.
8. The conduct of the children is the responsibility of the parents. Children must refrain from loud or offensive behavior. Children are not allowed to ride bikes on main road due to incoming delivery trucks and large rigs.
9. No acts shall be committed which shall place the owner or management in violation of any law or ordinance of city, county or state.
10. We reserve the right to refuse, discontinue service or evict anyone at any time for any reason deemed necessary by management.
11. Neither owner nor management is responsible for loss by fire, accident, theft or acts of nature.
12. **WATER PRESSURE IS 85 PSI. 50/30/20 AMP ELECTRIC.**
13. Neither owner nor management is responsible for accidents or injury to our guests, or for the loss of money, jewelry or valuables of any kind.
14. Horse thievery and cattle rustling is punishable by hanging.
15. Check-out time High Noon.
