KEEP YOUR DISTANCE FROM WILD HORSES TO STAY SAFE!

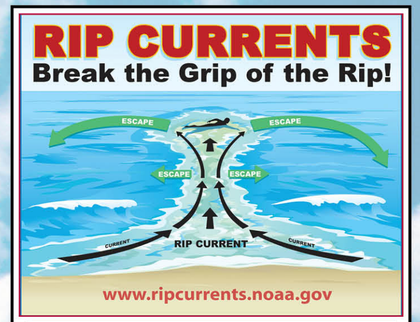

• Stay at least 40 feet away from horses: if horses approach you, back away. Do not attempt to move them.

• Keep a clean campsite and protect the horses! Secure trash and properly secure food including pet food in a hard-sided lockable container, cooler with strap, or use the horse resistant picnic table storage boxes, if available - but make sure to still use lockable totes, zippered totes, or in your RV/vehicle.

HISTORIC RACKLIFFE HOUSE AND RACKLIFFE TRAIL
