~ Clabough's Family and Campground History ~

Clabough's Campground is part of the original Clabough's Farm dating back to the early 1900s. The original farmhouse is still intact, located not far from the Campground. We would love to share the history of this Campground which is linked forever to the Clabough Family history.

Clyde Clabough was a World War I veteran and owner of Clabough's Farm. He and his wife, Willie Elizabeth Clabough (in the photo to the right), both born in the late 1800's, lived until the 1960s and 1970s, respectively.

One of their sons, Harold Mitchell Clabough (1923-2015) was the proverbial country born, raised in Sevierville TN. He fell in love with another Sevierville native, city girl Freda Katherine Watson (1928-2006). They married in 1948 (pictured left). It was Harold and Freda who would create Clabough's Campground from the former Farm, but it didn't happen overnight.

After serving in World War II, Harold continued his service to our country, later retiring from the Naval Reserves as a Senior Chief. Over a number of years, he would serve with TVA and the Job Corps, later sharing his expertise with students at Sevier County Vocational School in woodworking and carpentry.

Freda was an incredible wife and mother, also working as a service rep for South Central Bell Telephone, developing the skill sets she would use to help their fledgling business to succeed.

With the birth of their daughter Brenda in 1949, Harold and Freda proved to be loving and protective parents. Brenda has powerful memories of the times her father taught her life skills like riding a bike, learning to swim, how comfortable her mother made their home, as well as building the tremendous foundation for the rest of her life. Brenda followed her parents' example, making certain her two children completed their college education before joining Clabough's Campground, the family business.

The Campground has seen many new things over the years like;

- 1978 – Service station and store open
- 1980 – Establishment of the original Clabough's Campground
- 1992 – Opened the full-service Café
- 2003 – Expansion of Clabough's Campground
- 2007 – Addition of new Cottages
- 2017 – Jumping Pillow and Basketball Court
- 2019 – New Campground Center and Pavilion
- 2022 – New Pool and Lazy River

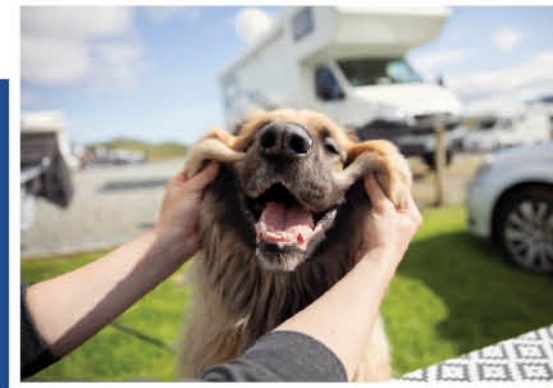

While this venture was started with Harold and Freda at the helm, today, Clabough's Campground is run by their daughter Brenda and her adult children, David and Stephen. While Harold and Freda are now with our Lord, their presence is still felt throughout the Campground, be it construction, maintenance, new amenities, first-class customer service or more. This land, which was once our family's Farm, is now yours to enjoy. We hope you enjoy your stay with us and return to visit us at Clabough's Campground.
