

## "FAMILY CAMPING SINCE 1969"

Located on the banks of Shaver's Fork of the Cheat River nine miles east of Elkins, just off Route 33 on Faulkner Road at Bowden, West Virginia.

### OPEN YEAR ROUND

One of West Virginia's oldest and largest privately owned RV camp resorts, featuring stocked rainbow trout fishing directly from more than one mile of river frontage, located high in the Potomac Highlands. Since 1969 the campground has grown to more than 200 fully developed campsites and several rustic rental cottages; all sites and cottages have Wi-Fi. Hunting, fishing, hiking, mountain biking and scenic train rides nearby, as well as skiing and whitewater rafting, are some of the best activities West Virginia has to offer.

**Year round facilities include  
14 Cabins & several Frost Free Campsites.**

**Directions:** Take US 33 nine miles east from Elkins to the end of four lane highway (Corridor H US 33), turn left, go 1/4 mile and then left on Faulkner Road to Revelle's.
