GUIDELINES FOR EVERYONE'S SAFETY & ENJOYMENT

- Please be considerate of other campers when using the showers. If you find a shower or toilet in need of cleaning, please contact the office or camp host.
- **SAVE A BEAR & SAVE A HUMAN!** Valdez Bears have an acute sense of smell and are attracted to the eggs inside the fish, so please clean your fish before entering the campground. Please **DO NOT** clean fish inside the campground. You must clean your fish either where you caught it or use the fish cleaning stations provided at the harbor dock downtown. Please **DO NOT** leave food or trash outside of your RV or trailer. **DO NOT** leave food inside your tent. A bear who becomes familiar with garbage must be trapped and/or killed. **Anyone found cleaning fish inside the campground will have their stay cancelled with no refund.**
- Coin-operated Washing Machines & Dryers are located at the back of the office. Please be considerate of others wishing to do their laundry by not leaving your laundry in the machines. **Change and laundry soap vending machines are available in the laundry. "Only use US currency."**
- **PETS:** Please ensure your pet's safety by always placing a leash on them (NO ELECTRONIC LEASHES) while staying in the park and disposing of their waste in the dumpster or pet waste stations. **PETS are NOT** allowed in certain lodgings (Deluxe Cabins, Rental RV Unit, Chalet, Glamping Tents), and NOT allowed inside the Bathhouse nor General Store. PETS are welcome in the pet friendly Camping Cabin and Easy Camping Tents.
- **PETS are not to be left behind in the campground unattended, they must go with you when you are out exploring.**
- **Please no cigarette butts on the ground or in firepits anywhere in the Campground.** Please dispose of appropriately. **NO smoking in any lodgings or bathhouse and General Store.**
