GUIDELINES FOR AN ENJOYABLE STAY

Guests and Visitors - Rates are for one RV and one vehicle per site. Additional vehicles staying the night must rent another site. If your site is already occupied by two vehicles, short-term guests must park in visitor parking. No parking is permitted in the roadways or unoccupied sites.

Laundry/Shower Facilities - Located next to the main building (separate entrance). **Open 7:00 am to 10:30 pm.** The washroom is staffed and requires your shower pass to enter. Please monitor children.

Quiet Hours are from **10:00 pm to 8:00 am.** Loud, objectionable noise will not be tolerated. Turn off diesel trucks. Inconsiderate guests will be asked to leave with no refund.

Septic system is a pump lift station. Do not flush or drop anything other than toilet paper and waste in the toilets or in the outside septic tube. NO PAPER TOWELS, GREASE, TRASH, FEMININE PRODUCTS, FLUSHABLE WIPES. Don't allow children to play around the septic tube openings.

ATVs - ATVs are illegal on all Homer Spit beaches and roadways, per city ordinance.

Fires & Barbecues - All open fires must be on the beach. You may have a fire on the beach directly in front of your site only if you are renting a beachfront site. Open fires are not permitted on the ground in the other site types. You may use our gas grill any time it is available. Keep hibachis on the ground, not on picnic tables.

Pets - Leashed pets are welcome anywhere in the park or on the beach. Do not leave your animal tethered outside or unattended at any time, and clean up after your pet.

Gift Shop - The gift shop is open from **7:00 am to 10:30 pm.** If a cashier is not available, please ask the front desk clerk for assistance.

Coffee Shop - The coffee shop seating area is available from **7:00 am to 10:30 pm.** This area is open to all guests for eating, card playing and visiting.

Within the Sites - Treat your site with care and respect. Report any damages to the office. The fishing lagoon has fish cleaning facilities located near the public restrooms. **Do not clean fish outside in your site. The water from fish and boat cleaning on the gravel is unsanitary. No septic hoses may be left on the ground unhooked up to the RV, Sewage waste may spill.**

Check-Out Time is NOON

Satellite TV Programming

Your TV must be set for satellite TV or cable. On most sets, this is done via the remote in the menu. Some rental RV's have a cable switch or button on the wall near the TV.

TV channels will show up on the even numbers between 14 and 36. The input signal will come in on Aux, Sat, Cab or Air and may be different, depending on your RV and TV, so check them all.

DISH service may not work in all RV's. The Spit is considered a remote location, and cable TV is unavailable.

Internet Access

Wireless - There is Wi-Fi throughout the park from an independent provider.

Connect to Heritage_RV

Streaming is not included with the free service. SpitSpots offers short and long-term paid service for streaming; connect to HOTwSpots, then open browser to sign up.

DSL - DSL is available at the courtesy phone area. Plug your ethernet cable into one of the jacks marked "DSL".
