

GENERAL INFORMATION & RULES

Welcome to Nature's Way RV Park... A retreat for weary travelers after a day on the road. And for those that enjoy what nature has to offer. The following are guidelines and answers to the most common questions.

Check-out Time: by 11:00 a.m. Please follow this rule as we must prepare for incoming campers.

Check-in Time: 2:00 p.m. or after

Speed Limit: 5mph for your safety and to protect the children. This speed limit is enforced.

Pool Hours: 10:00 a.m.-8:00 p.m. No Lifeguard on Duty. Children under the age of 16 need a parent present at all times. Please read and follow the additional rules on the gate as you enter. We cannot stress enough how important it is to towel dry before using our bathrooms and entering our main building.

Quiet Time: 10:00 p.m.-7:00 a.m. All minors should be back at their site during quiet hours. Always respect fellow campers by keeping radio volume to a minimum at all times. There should be no foul language, loud talking or abrasive behavior at any time during your stay. Campers who refuse to cooperate will be asked to leave the campground without reimbursement.

Visitors: With this being a smaller campground without excess parking and to avoid over-crowding we do not allow visitors. The use of our facilities are for registered guests only.

Refunds: Weather is no cause for a refund: We do not issue refunds for unused time.

Pets: Please clean up after your pets. Pets must be kept on a leash no more than 6 feet long at all times and never left unattended. Pets are not allowed in the main building, pool or playground areas.

Bikes: Bicycle riding is not allowed after dark. No motorized bikes allowed.

Generators: Not allowed.

RV/Camper/Vehicle Washing: Not allowed, but we don't mind if you wash the bugs off of your windshield.

Campfires: Allowed in fire rings only. Do not move fire rings without our permission. Do not put garbage in fire rings. No cutting, puncturing or mutilating trees in any way. No clotheslines or anything else tied to trees or shrubs. Outside firewood NOT allowed.

Dump Station: We provide a 20-foot sewer hose and connector fitting at the dump station. This will eliminate the need for turning around to dump when leaving.

Outdoor Area Mats kill the grass and are not allowed.

Tents are not allowed on RV sites.

Fishing Creek: Kids are allowed to fish in the creek, but advise them not to play in the water.

Dishwashing: There is a large sink behind the main building for washing dishes. Do not use the restroom sinks.

Trash: Covered receptacles are located throughout the campground. Please place garbage inside these containers. There is also a dumpster by the entrance if you would like to dispose of your garbage there.

Laundry: Machines are located in the main building and are available from 9:00 a.m. 7:00 p.m.

LP Gas: Propane is available here.

Severe Weather: Take shelter in the main building.

Wi-Fi: For email and web browsing purposes. Not intended for streaming. No password required. NaturesWay is our hotspot. Read and accept terms and click on the free access button.

Cable TV: After connecting your coax cable make sure your antenna power booster is off in order to scan and receive our cable channels.
