Mont Ripley
As the oldest ski area in Michigan and located in the snowiest city in the Midwest, Mont Ripley is a true alpine town experience: 24 challenging trails, plus a terrain park, tubing park, 440-foot vertical drop over 112 acres, and a stunning scenic overlook of the Keweenaw Waterway. Warm up and enjoy snacks at the Huski Cafe and visit Ripley Tune and Supply for the gear you need to make your day on the slopes the best day of the season.

Portage Lake Golf Course
Rated one of the top 18-hole courses in the Upper Peninsula, the Portage Lake Golf Course features 18 holes on 160 acres. Established in 1903—and Michigan Tech-owned since 1945—the course provides two nines of distinctly different flavors and challenges. Enjoy food and beverages at the Par & Grill and find equipment and apparel at the Pro Shop.

A. E. Seaman Mineral Museum (#103)
One of North America's premier mineral museums, the A. E. Seaman Mineral Museum is nationally and internationally recognized by mineral collectors and connoisseurs. Featuring the largest public exhibit and finest collection of minerals from the Great Lakes region, and the world's best collection of Michigan minerals, the museum showcases the rich colors of nature's masterpieces and provides informative context about how minerals impact your daily life.

Rozsa Center for the Performing Arts (#10)
The region's premier performing arts center brings national acts—theatrical, dance, and musical touring companies, comedians, and guest speakers—to the area, while serving as an Upper Peninsula base for film festivals, symphony orchestras, choirs, bands, and Michigan Tech's wide array of in-house productions. The Rozsa Galleries offer dynamic exhibits that showcase engaging work from local and international artists.

About Michigan Tech

Michigan Technological University is an R1 flagship technological research university founded in 1885 in Houghton. The University offers more than 185 undergraduate and graduate degree programs in science, technology, engineering, mathematics, computing, forestry, business, health professions, robotics, psychology, social sciences, humanities, and the arts. The rural campus is situated just miles from Lake Superior in Michigan's Upper Peninsula and is home to more than 7,000 students.

Graduates are recognized for their ability to hit the ground running and for providing immediate value to employers. Huskies realize high placement rates and starting salaries, as well as exceptional return on investment on college expenses. Tech is consistently recognized as one of the best value public universities in the nation.

Our Home

Michigan Tech is proud to call Houghton home—and most Huskies consider it their home away from home. Friendly people, local culture, and our historic mining heritage make the community as much a part of Michigan Tech as Tech students are part of the community. Located on the Keweenaw Waterway and just minutes from Lake Superior, the natural splendor of the area is perfect for adventure in any season. Hike, bike, and ski; paddle on lakes and rivers; take in majestic waterfalls; and explore the shores of the greatest of the Great Lakes. Here, outdoor adventure comes with the territory.

Known for its intricately engineered snow statues and other quirky traditions like human ice bowling, Michigan Tech's Winter Carnival (held annually in early February) draws visitors from across the country. Established in 1922, and organized solely by Tech students, it's one of the biggest annual winter celebrations in the nation.
