We want all our guests to enjoy their stay with us while in the Seward area, so please help us with some simple Park Guidelines -
Enjoy your visit!

- Pets must remain on a leash. If you tether your animals outside, they must not be left unattended. Dog walking is preferred along the creek greenbelt and all other border areas to keep sites clean. Please clean up after your pets!**
- Quiet time in the Park is between the hours of 10:00 p.m. and 8:00 a.m.
- Please – no running generators or changing oil and like fluids.
- Check-out time is 12:00 p.m., and check-in time is 2:00 p.m.
- If your site is not vacated or you cannot move your vehicle by check-out time, please check with the office. Vehicles left in a space after check-out time are subject to an additional day's fee and/or towing as sites turn over quickly during busy times.
- Please do not burn rubbish in fire pits.
- Fire pits may not be relocated. Campfires must be extinguished overnight and if you leave the park. Please exercise caution. Children are not to be left unattended around fire pits!
- Stoney Creek RV Park buildings are smoke-free areas.
- Site assignments are subject to change.
- Please leave your site clean and litter free for the next guest. If a site is left in an unsatisfactory condition, you may be charged a cleaning fee. The Park dumpsters are located near the Greenbelt Building area.
- The speed limit inside the park is 5 MPH for all types of vehicles. Please slow down.
- ATVs in the park are subject to all regular motor vehicle laws, and 5 MPH is the maximum speed in the park. We reserve the right to revoke ATV riding allowed in the park at any time for any reason.
- Due to bears and other wildlife in and around the park, please do not leave coolers, trash bags and cans, food storage bins, and food products outside your RV unattended - and especially not overnight. The park is not responsible for the loss or destruction of these items.
- Stoney Creek RV Park reserves the right to refuse service to anyone for any reason, and unruly patrons will be asked to vacate the Park.
- Children must be supervised on the property at all times. This includes biking, hiking, playing, showers, laundry room, the creek side, parking areas, etc.
