You may preregister your guests and prepay for them, but they are required to check in to the office to provide vehicle information and receive a car pass.

EXTRA VEHICLES: All rates are based on a maximum of two vehicles per site including the RV. Inquire at the office concerning additional vehicles.

MOTOR-DRIVEN VEHICLES: The use of motor-driven vehicles is prohibited in the park without permission of the management.

ALCOHOL: Do keep alcoholic beverages confined to your site. Indiana State Law forbids them to be taken into any KOA building.

PROPERTY DAMAGE: Help us protect and nurture our trees and wildlife. Do not destroy or damage property. You will be asked to pay for such damage and you will be held responsible for your children's actions.

CAMPFIRES: Campfires are permitted in a fire ring and must be attended by an adult. Do not move fire rings! No outside firewood allowed! Firewood is available in the store. (Remember: fire rings remain hot long after the fire has gone out. Please watch children closely around fire ring areas.)

WASHING VEHICLES: Please do not wash vehicles in our campground; we are on well water. A facility is available in the Town of Middlebury to allow you to wash vehicles of any size. Ask the office for directions.

FIREWORKS: The use of fireworks of any kind is prohibited anywhere on campground property. Anyone using fireworks will be asked to leave immediately without refund. Firearms, bows and arrows or slingshots are also not permitted.

CLOTHESLINES: Clotheslines are dangerous and harmful to our trees. Please don't tie them to our trees. Only a clothes drying apparatus that is totally supported by and within the confines of your camping unit is permitted. This is policy at all KOA campgrounds.

TRASH: We will provide you with trash and recycling bags on request. We will pick up trash during operating hours daily if left at your site where we may see it.
